

# Graflex PS Stretch Textile Film

## *With Self Adhesive Backing*

PVC-free material for cad-cut applications.

Graflex PS Stretch is a very thin material with a soft touch feel to it. PS Stretch blends well in textiles and has great stretch and rebound properties.

It guarantees easy weeding and application

We highly recommend application and washing test.

## Application Instructions

- 1) **Cut in REVERSE**
- 2) **Place the material on the garment with its polyester support**
- 3) **Heat apply**
- 4) **Remove polyester backing when HOT or COLD**

Due to the many different base materials available on the market, the following heat transfer instructions are given as guideline only:

**Temperature: 155°C**

**Time: 15 sec.**

**Pressure: Medium-High**

**Washable to: 60°C**
